Join us at the River!

Fish-a-Long and Movie Under the Stars

Come join the Association of Northwest Steelheaders for a fun afternoon of salmon fishing on the banks of the Clackamas River! We'll cover the basics of fishing like knot tying and gear rigging before casting for Coho and Chinook amongst the beautiful fall colors of Milo McIver State Park. After, stay for a dusk showing of **A River Runs Through It**, directed by Robert Redford and starring Brad Pitt. Families welcome and no experience is necessary, but participants must hold an Oregon Angling License from Oregon Department of Fish and Wildlife.

Note: Attending the Fish-a-Long is not required for admittance to the movie.
