“TAKE A SOLDIER FISHING/VETERANS/ACTIVE DUTY” FISHING

2019 events in Oregon:

Take a Soldier Fishing (TASF), Portland Chapter, is proud to announce two 2019 events to take veterans and active duty military out fishing for the day.

TASF's goal is to provide low cost or free fishing events honoring our active duty military and veterans from any branch of the service.

We serve veterans with various disabilities, veterans supported by the VA Housing Programs, and many others from all walks of life.

For some veterans, our event is the only outdoor recreational activity that they will receive the entire year!

All veterans and active duty military are welcome to participate in our events. We do our best to provide accommodations for those who need them.

We are seeking Volunteers with boats who have fishing gear to take veterans fishing.

- Volunteers are needed to help with check-in of boaters and participants and issue fishing licenses for those who need them
- Volunteers are needed for setup and take down and help with serving AM refreshments
- Volunteers are not required to have served in the military

Lunch and AM refreshments are provided for all participants and volunteers

Fishing from a boat or from the bank is available at most events. Some events also permit immediate family members to participate. Participants and **volunteers/boaters must pre-register for these events**. Go to www.takeasoldierfishing.org and complete the appropriate registration form.

TASF has no paid employees. Everyone is a volunteer, including board members, who have a passion to recognize our veterans and active duty military for their sacrifices.

100% of contributions to TASF, Portland or Eugene Chapters are used to support day fishing events in Oregon.

Participation is open to all veterans and active duty military from any branch of the armed services. Volunteers are not required to have a military background. All TASF events are alcohol and drug free.

The first event is at **Henry Hagg Lake**, near Forest Grove Oregon, **Saturday June 15**, at Area C. HOW TO FISH

2019 Family Fishing Events

These events will introduce kids, and their families and friends, to the fun of fishing.

At each event ODFW staff and volunteers will provide equipment, and teach new anglers how to rig their line, cast a rod, land a fish and identify their catch. This is a great opportunity for families to learn how to fish together and spend time in the outdoors!

FIND A NEARBY FAMILY FISHING EVENT

Visit our [Take the family fishing](#) page to see a list of events, organized by zone, as well as other how-to and where-to resources to help your family start fishing.

Spring Chinook Salmon Workshop 2016 Manual excerpts

Shrimp - Prawns

Prawn shrimp entered the fishing scene about 30 years ago. You can purchase them frozen and uncolored and apply dye made for this purpose yourself, or buy them dyed already.

Brighter colors seem best in murkier water. Prawns can be rigged on a two-hook setup similar to a herring, threaded with a long wire line threader, or attached to a prawn spinner which has a clip wire for that purpose.

Keep them in a cooler with ice...they spoil in warmer weather. You also can simply use them as an alternate to herring for **Bottom Bumping** or **Suspended Trolling**.

Prawn - two hook set up

On the line above the prawn you can add several beads, and then a Spin-n-Glo or clevis and spinner blade for added attraction !
