Forward we go, together.

I would like to first thank you for your continued hard work even through these uncertain times. It's your leadership and drive that continues to motivate me and the rest of the office to push forward. The pandemic has provided its share of questionable outcomes, but one thing remains true, ANWS is still here to fight for fish and angler opportunities. Please see below for what the team has been up to:

- Working with state officials, NSIA and CCA on Columbia River Reforms to ensure that ODFW and WDFW would not abandon promises made to anglers by allowing gill nets back on the main stem of the Columbia River.
- Starting to build a broader campaign around breaching the lower four Snake River Dams. A battle that ANWS has been a part of for the last 40+ years, this campaign will continue to be an investment to conserve Columbia River salmon and steelhead opportunities for the next generations to come.
- Providing comments and support of ODFW's proposal to increase fishing opportunities from a boat above Oxbow Park on the Sandy River. If passed, this change will increase fishing opportunities and increase opportunities to catch hatchery fish.
- Working with and urging the ODFW Commission members to once again allow anglers to fish with two rods on the Willamette River. This decision was made without critical thought and a lack of information.
- Engaging the Oregon Conservation and Recreation Fund Advisory Committee to ensure that this new funding model for ODFW has a presidency on fishery conservation, specifically habitat and fish passage. (If you would like to know more on this topic, please reach out for information).

Thank you again for your continued support and hard work.

# Annual Chapter Potluck Social and Auction, What does this mean....

From: Greg Reed

Due to the current conditions of our world we will not be having our annual Chapter Potluck/Auction. This is our primary fundraiser. This event provides nearly all of our operating expenses for the year. Thanks to past and current budget management the Chapter will survive this. However, it makes fundraising in the year to come fundamental to our continued operation.

To illustrate our budget operations, see the report below. Summarized, the last 12 months have seen Chapter Income of \$4,645.44 and Expenses of \$11,745.49. This shows our operating costs of \$7,100.05.

## Banking Summary - Last 12 months 5/31/2019 through 5/30/2020

# Annual Chapter Board Election:

Election of Chapter Board Officers will take place at the our next scheduled Chapter Meeting. As required by the by-laws, the Sandy River Chapter needs to notify its membership of the upcoming election of officers. The Chapter Board positions we need to vote on are President, Vice President, Secretary and Treasurer.

We want to thank Tim Maples for serving as our Vice President for the 2019-20 term. He indicated he would not be able to continue as Vice President this coming term. Therefore, until the election Jeff Boughton, who is running for this position, has been assigned to the position.

Note the last few years we have run short of nominees for positions. We all want a successful chapter, so please step up and help us in areas you have qualifications to fulfill.

## Currently, the following are running for offices.

| Position       | Name           |
|----------------|----------------|
| Co-President   | Jeff Stoeger   |
| Co-President   | Greg Reed      |
| Vice President | Jeff Boughton  |
| Secretary      | Terri Boughton |
| Treasurer      | Vacant         |

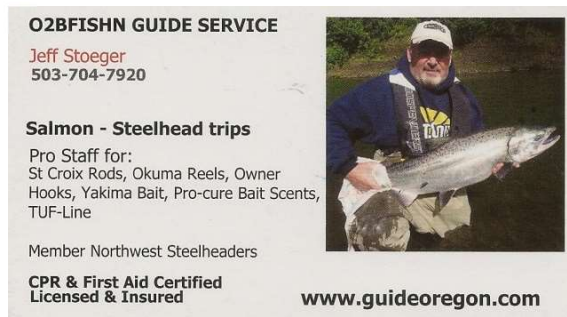

If you would like to run for any of these position all you need to do is contact any current officer or member of the Election Committee. To run for an office you must be a current member in good standing.

So if you have some great ideas we are looking for you to fill one of these positions. You can run for president or vice president with a co-partner. If you have any suggestion of someone who would make a great President, Vice President, Secretary, or Treasurer ask them if you can nominate them for the positions. You cannot nominate someone without their permission.

Contact Steve Rothenbucher, Chairperson of our Chapter nominating committee, at 503-257-0039.
