Late September newsletter

First, a big thank you to John Hydorn. He brought our computer back to life after it went sidewise.

The computer updated and the following day (when I thought I was going to put together the Newsletter) the computer would not open. This why the Newsletter is coming out late for September, 2019. Needless to say, at the next Board meeting we will discuss purchasing a new computer.

HELP – WITH NEWSLETTER

We are currently in **great need** of someone with word processing skills to edit our newsletter. If you are interested in helping out please contact one of our Co-Presidents: Greg Reed at g_a_reed@comcast.net (Ph: 503-869-1795, or Jeff Stoeger at mjstoeger@msn.com (Ph: 503-704-7920).

Re: Thank you for your contribution to Take A Soldier Fishing Hagg Lake

Thank you for your generous contribution of \$100 to the Take A Soldier Fishing event held at Henry Hagg Lake on Saturday June 15, 2019.

Take A Soldier Fishing, Portland Chapter proudly supports our veterans and active duty military by holding free fishing events to thank them for their national service. The events include AM refreshments, door prizes, lunch, fishing supplies, and fishing licenses for those that need them. For many, this is the only recreational opportunities that they will have for the year. We also serve many disabled and homeless veterans in the Portland/Vancouver metro areas.

The Hagg Lake event on Saturday, June 15, 2019 had 78 fishing participants which included spouses/care provider and children. We had 24 boats participating. Including all volunteers and deck hands, we had 126 persons participating for lunch which included veterans representing all branches of the service from World War II to recent veterans of Afghanistan and Iraq and active duty members.

An additional event for our veterans was held at Odell Lake mid-July.

Your contribution is greatly appreciated and is fully deductible as permitted by the IRS.

Sincerely,

Jack Morby, President

Please mark your calendars for Sunday, December 1st and Sunday, December 8th, for the next Steelhead Fishing 101 Workshop the Chapter puts on in partnership with the Oregon Department of Fish and Wildlife. The workshop will be held at the Glenn Otto Community Park in Troutdale. I need instructors and mentors (you know who you are). I also need assistant volunteers. Are you a new member new to steelhead fishing? Or, a past graduate of a workshop? Volunteer as an assistant as this is an excellent opportunity to learn and help out at the same time at no cost to you!

The time commitment is all day (preferred) on December 1st and a half day on December 8th. There will also be a 3 hour (tops) planning and preparation meeting from 10:00 am to 1:00 pm on Saturday, November, 2nd. This will also be held at Glenn Otto Community Park in Troutdale. This meeting will be especially important for Instructors and Mentors.

The usual volunteer positions need to be filled -- Instructors (you know who you are), Mentors (you know who you are), Assistant Volunteers (no experience necessary), Sign-In and Whips (you know who you are).

Please RSVP to this email with the following:

- 1) Availability for December 1st Workshop
- 2) Availability for December 8th On-the-Water Session (preferred for Mentors and Instructors)
- 3) Whether you want to be an Instructor (and what you want to teach) or a Mentor or an Assistant Volunteer or a Whip (rover)
- 4) Any questions you might have.
